5. Key Features:

- **100% Pure & Natural:** Made from premium-grade fresh garlic, carefully cleaned, peeled, and dehydrated to preserve its natural aroma, sharp pungency, and rich flavour without any additives or preservatives.
- **Extended Shelf Life:** Low-moisture content ensures long-term storage stability, making it ideal for bulk buyers, food processors, and manufacturers seeking consistent year-round supply.
- **Strong Aroma & Flavour:** Retains the characteristic intense garlic taste, providing a convenient alternative to fresh garlic while maintaining high potency and uniformity in culinary applications.
- **Hygienically Processed:** Produced in controlled environments with strict adherence to food safety and hygiene standards. Free from contamination, pests, and foreign matter.
